

Comline CO 5W30 C2

5W-30

Fully synthetic fuel economy long-life motor oil BMW LL-01 FE, ACEA C2

Description:

Comline CO 5W-30 C2 is a fully synthetic motor oil for petrol and diesel engines, with or without turbo. This oil is also recommended for cars and light duty commercial vehicles for which a fuel economy oil according to ILSAC GF-3 and/or ACEA A1/B1 is prescribed.

Comline CO 5W-30 C2, manufactured with Comline's OPT additives, not only offers an extremely good protection during long drain intervals, it also fulfils the requirements for Euro-4 passenger cars to prevent from soot filter blocking.

Therefore, Comline CO 5W-30 C2 has low sulphated ash contents and also low levels of phosphor and sulphur ("mid SAPS" technology).

Comline CO 5W-30 C2 offers extra fuel saving properties and can be mixed with both synthetic and mineral motor oils. Furthermore this oil can be used in BMW engines where BMW LL-01 FE is prescribed.

Comline CO 5W-30 C2 not only offers excellent wear protection, but also protects against rust and corrosion. Special additives keep all parts clean from dirt, sludge and deposits.

Comline CO 5W-30 C2 provides an extremely quick and stable lubricant film on cold starts and offers high thermal stability under heavy duty operating conditions.

Performance level:

API: SM/CF
ACEA: A1/B1 ; A5/B5 (07) and C2 (08)
ILSAC GF-3
PSA B712290

Typical values:

5W-30

Density 20°C	Kg/L	0,843
Viscosity 100°C	cSt	10,6
Viscosity 40°C	cSt	62,3
Viscosity -30°C	cP	<6600
Viscosity Index		161
Flash point COC	°C	212
Pour point	°C	-39
Sulphated ash	Wt%	0,8
