

Comline CO 5W30 Z

5W-30 Zetec

Fully synthetic fuel economy long-life motor oil for Ford and Jaguar

Description:

Comline CO 5W30 Z is a fully synthetic fuel economy motor oil for petrol, LPG and diesel engines in most Ford passenger cars and light commercial vehicles from 2009, as well some Jaguar models. Comline CO 5W30 Z can also be used for all previous models for which Ford WSS-M2C-912A and 913A/B is recommended. Comline CO 5W30 Z establishes highly stable lubricant film within a short amount of time during cold start-up, which offers an extremely high oxidation stability and wear protection. Comline CO 5W30 Z allows longer oil change intervals (up to 30.000 km) for the latest models of Ford and Jaguar.

Comline CO 5W30 Z offers extra fuel saving properties and the product can be mixed with both synthetic and mineral motor oils.

This oil can be applied in all cars where ACEA A5/B5 (08) and A1/B1 (08) is recommended.

Performance:

API SL

ACEA A5/B5 (08), A1/B1 (08)

Ford WSS-M2C-913C en 912A, 913A/B

Typical values:

5W-30

Density 20°C	Kg/L	0.848
Viscosity 100°C	cSt	9.6
Viscosity 40°C	cSt	53.3
Viscosity -30°C	cP	<6600
Viscosity Index		166
Flash point COC	°C	>205
Pour point	°C	<-45
Sulphated ash	Wt%	0.80
HTHS	cP	<3,5
